SUMMARY

Aspiring IT professional with a background in commerce, seeking an internship opportunity in a dynamic IT company to gain hands-on experience in mobile application development, website development, and software development. Highly motivated and eager to learn, with a strong foundation in analytical thinking, problem-solving, and teamwork. Committed to leveraging my adaptability and keen interest in technology to contribute to the success of the team and grow as a proficient IT professional. Looking forward to applying my enthusiasm for technology in a practical setting, embracing new challenges, and continuously improving my technical skills to develop innovative solutions.
